

Automatic metal tube filler TGM E250
Code Nr.: FUV023.7.9

Technical data		
Producer	TGM	
Typ	E250	
Max. output	2800	tubes/h.
Tube diameter	10-42	mm
Tube lengths	50-235	mm
Filling capacity	2-300	mm
Hopper capacity	50	Ltr
electrical services:	415V/3ph/50Hz	
Stations	10	
compressed air	150	ltr/min

automatic filling with the subsequent closing and the ejection from the saddle-shaped bend, 4 sets for the clamping of tubes with the additional set for the saddle-shaped bend.
